

Trans World Radio on DStv Channel 155

Listen to Trans World Radio on DStv 24 hours a day on your television and/or sound system via a DStv decoder.

1. DStv EasyView

This option enables you to receive DStv's free-to-air television and radio channels, including TWR Christian Radio. There is an annual fee of R240.00.

2. DStv Compact

This is a compact bouquet of 39 channels at R219.00 per month.

3. DStv Full Service

This is the entire package of DStv audio and television channels with a monthly subscription of R499.00.

How to get TWR on DStv

1. Purchase a decoder and satellite dish.
2. Contact Multichoice and tell them you want an **EasyView** contract.
3. Pay the annual fee mentioned in paragraph #1 above for administration technical support. (Price subject to change)
4. Connect to tv and/or sound system.

How to listen

1. Press the audio (🎵) button twice.
2. A list of available bouquets appears.
3. Use the (▲) or (▼) arrow to move to DStv Audio Bouquet.
4. Press (OK)
5. Type (1) (5) (5) – then press (OK).
6. TWR should appear.

**Options and prices relevant to South Africa only
*TWR is available on all three DStv options
Prices were correct at time of printing

Trans World Radio on Vivid Channel 48

Trans World Radio is also available free-to-air on the Vivid Decoder system public bouquet.

How to get TWR on Vivid

1. Purchase a Vivid Decoder and Satellite dish from a satellite installation dealer.
2. Install the dish and decoder.
3. Follow the instructions on the reverse side of the leaflet.
4. This service is free and there is no annual administration fee.

How to listen on Vivid

1. Press the **Menu** button.
2. Push the down arrow until **Installation** is highlighted and press the **OK** button.
3. Enter the **PIN** which is **1379**.
4. The "Dish Install" is highlighted.
5. Push the down arrow to highlight **Signal Setup**. Press **OK**.
6. You will now see "Signal 1" is highlighted.
7. Push the right arrow until **Signal 4** is highlighted and then press **OK**.

By using the arrow keys and numbers, enter the following:

<i>Signal Source:</i>	<i>Enable</i>
<i>LNB:</i>	<i>1</i>
<i>Frequency:</i>	<i>11 050</i>
<i>Symbol Rate:</i>	<i>30 000</i>
<i>Polarization:</i>	<i>Vertical</i>
<i>FEC:</i>	<i>5/6</i>

8. Once all the items are entered, press **OK**, then press **EXIT** twice.
9. Push the down arrow once to highlight **Tune DSD** and press **OK**.
10. The scanning will now start, looking for all new services. This will take 3 minutes to complete.

Switching between public bouquets

1. Press the **Guide** button - this will bring up the main menu.
2. Press the **blue ALT** button - this will take you to the menu line where you can select the different bouquets. The Vivid Bouquets should be highlighted.
3. Use the **right cursor** buttons to go across to the **Public Bouquet** and press the **OK** button - wait for a minute or so while the green part of the screen slowly fills with information.
4. Press the **Music Symbol** button - this will now change to show all the radio channels.
5. Now use the **Cursor Up / Down** button, to find the Trans World Radio satellite radio channel. The **channel number**, at present is **48** (this number might change from time to time). Press **OK** and you will hear TWR.
